Note: The person(s) named above will be registered as the Grant Holder(s) with the deed being made in his/her/their name(s). No memorial may be arranged and no further interment may take place without the signed consent of the Grant Holder(s).

Conditions

1. Subject to the Town Council granting permission, the Grant Holder may instruct suitably trained personnel to install a memorial. Conditions and size restrictions apply. Permission may not be granted for up to 1 year from the date of burial to ensure stability of ground beneath.
2. Whilst permission will not be formally granted, the Town Council will not normally object to the marking of a grave by a simple wooden cross in the period pending the erection of a permanent memorial. The Town Council reserves the right to remove any such grave marker.
3. The area allocated for planting shall not exceed 1 metre (or 600mm for a Cremated Remains Grave) measured from the back of the memorial. This area should be limited to the width of the memorial. Only suitable planting such as annual bedding or small shrubs will be permitted. Glass, ceramics and plastic items are strictly prohibited.

The person(s) applying for the burial must agree to the conditions above and those outlined in the Cemetery Regulations. A signed and dated purchase agreement must be attached to this form.

I consent to my contact details being recorded and held in accordance with the Town Council's General Privacy Notice.
